Info:

- **$20 per person, April 5th - 2 PM CST**
- Add and message **Alen#0005** on discord if interested - it will take place in our server.
- 48 player round robin tournament - 6 rounds - top 8 based on point system will play in one championship match to determine placing.
- You will be refunded if we don't have an even amount of players. If someone can't make it they can be replaced by someone who paid.
- 15 minute Midship games using MLG FFA H2X settings on dedicated servers - most kills wins, ties broken using least deaths then most assists if nee
- In the event of a game crash/lag out, it will be restarted **ONLY** if it happened before the game starts. You must rejoin otherwise, the servers will be set

- **Six rounds of round robin - points per placing: 1st place gets 9 points while the remaining get 1-7 points.**
- **Top eight in points after six games play in one final FFA.**
- **Top eight payout, breakdown to be determined later.**
